Exploring the ACICA Expedited Arbitration Rules

Please join us for an animated enactment of an expedited arbitration proceeding using the ACICA Expedited Rules 2021.

The ACICA Expedited Rules 2021 came into effect on 1 April 2021. This event is an interactive way to explore the key benefits of ACICA's Expedited Arbitration Rules and the amendments to the rules which reflect developments in international best practice, including with reference to improved online practices developed during COVID-19, disclosure of third-party funding arrangements, and many other features which aim to further enhance the arbitration experience for all users.

This event is kindly hosted by Holding Redlich.
