

WORLD DAY AGAINST THE DEATH PENALTY

'WDADP' is recognised globally as a reminder of the inhumanity of the death penalty throughout the entire process, from sentence to execution.

The theme of this year's dinner is Poverty & Justice: A Deadly Mix

We are honoured to present as our guest speaker, Ms Fiona McLeod, SC, President of the Law Council, human rights advocate and passionate opponent of the death penalty.

With Stephen Keim, SC as our MC for the evening.
